RECENT PROJECT EXPERIENCE

For the last 20+ years Tibor has been successfully operating as a business consultant with a focus on business strategy, change management initiatives and mentoring owners and senior staff across business looking for continued and accelerated growth.

An astute advisor with a solid technical background, he's been able to lead changes to organisations that have resulted in increased sustainable profits across the businesses he has served.

CLIENT TESTIMONIALS

"Tibor is a very forthright and honest person with a unique approach to business and life. His strategy oversight and guidance around where to focus my attention was immensely valuable."

"The most significant thing Tibor has helped me with is create clarity within my business: who are my clients, what are my rates, what are my challenges, what are my next progress steps, who do I need to team up with. He's a wealth of knowledge and he's easy to work with. I absolutely recommend Tibor as a Business Mentor."
